

July 13-17, 2009 Grace Lutheran Church will be transformed into a squishy swamp for a week-long Vacation Bible School. This year's theme is Crocodile Dock where kids preschool through 5th grade are invited for swamp stomping fun, gator games and crawfish crafts. In the Bible bayou everyone will learn about how God works miracles both large and small every day of our lives. Call the church office for more information, 237-0467.
